

egeplast international GmbH Robert-Bosch-Straße 7 48268 Greven

The above organisation is hereby entitled, on the basis of certificate No. 17 01 90268 018 and the appendant test reports, to affix the certification body's certification mark shown below to the following product (see description below).

Requirement:

The product complies with the requirements of MUC-KSP-A 3004, following PAS 1075.

Product description:

egeplast COEX ${
m RC}^{
m plus}$ / egeplast 9010 $^{
m 0}$ PE100-RC / egeplast COEX PE 100-RC

Coextruded pressure pipes made of polyethylene PE 100-RC, incorporating integrated protective layers that account for 10 per cent of the wall thickness, for the following applications and nominal diameters:

- Pipes made of polyethylene for alternative installation methods based on PAS 1075 (type 2)
- Nominal diameters: 25 to 630 mm
- SDR: 41, 33, 26, 21, 17.6, 13.6, 9 and 7.4

Production site:

egeplast international GmbH Robert-Bosch-Straße 7 48268 Greven

This certificate is valid to January 2020. Factory surveillance is carried out annually.

Munich, 16 January 2017
