egeplast international GmbH
Robert-Bosch-Straße 7
48268 Greven

The above organization is hereby entitled, on the basis of certificate no. 17 01 90268 003 and the appendant test reports, to affix the certification body's certification mark shown below to the following product (see description below).

Requirement:

The product satisfies both the requirements of PAS 1075 and the even stricter requirements set forth in the MUC-KSP-A 3003 standard.

Product description:

egeplast SLM® RC^{plus}

Polyethylene PE 100-RC pressure pipes with additional outer coloured protective layer made of polypropylene for the following applications and nominal sizes:

- Pipes made from polyethylene for alternative installation techniques as per PAS 1075 (Type 3)
- Nominal diameters: 25 to 1200 mm
- SDR: 17.6 to SDR 7.4

Manufacturing site:

egeplast international GmbH
 Robert-Bosch-Straße 7
 48268 Greven.

This certificate is valid to January 2020.

Third-party monitoring of production will be carried out on an annual basis.
